Mr. Sullivan,

Thank you for the opportunity to provide you with a proposal. I am confident that based on our discussions you will find these solutions to be meaningful to both you and your stakeholders.

The services and cost estimates in the following proposal represent the best solution to the stated project parameters at competitive prices. This proposal is valid for a period of thirty (30) days from the date of presentation. In the event that Galveston County and ScytI cannot agree upon a mutually agreeable contract within a thirty (30) day period, ScytI reserves the right to make any necessary adjustments to the scope, time estimates, or investment price for the project.

This proposal does not serve as a binding agreement for either party represented. Binding agreements will be acknowledged as a definitive contract, executed and delivered.
