Response to Public Information Request (1) received on July 6, 2022:

1. Yes, however SCYTL is used only to report votes that have already been tabulated to the public. It does not tabulate, count, or store votes.
2. Speaking for Jefferson County, yes.
3. Speaking for Jefferson County, no.
4. Speaking for Jefferson County, no.
5. Speaking for Jefferson County, no.
6. Please contact the Secretary of State for current State Election Law and State policies.
7. Contact Secretary of State for State contracts, please see attached contract for Jefferson County.

Response to Public Information Request (2) received on July 6, 2022:

1. No, Jefferson County was not legally required to have surveillance until early 2022 when Senate Bill 1 was passed.
