Chris,

Thank you for your reply. I'm a little disappointed you wouldn't confirm their involvement, as it's public record & doesn't compromise security in any way.

Blessings,

Dear Christopher,

As the elections administrator for Williamson County I thought you should be able to get this info for me.

How many Department of Homeland Security agents help our county with elections?

Do we pay them or is it federally funded?

What is their role to supervise, train and observe or all three?

Thanks for your service to Williamson County. I look forward to your response.

Sincerely,

Kari Whitlock
